CANVA

social media

What is Canva?

Canva is an online graphic design tool built for beginners for both business and personal use.

Canva's mission is to “empower everyone in the world to design anything and publish in any types of platform.”

And they live up to it letting you easily create shareable images from your desktop or from the app.

How to create a Canva account

Creating an account with your email address

Creating an account with your Facebook, Google, Apple or other methods

Canva step by step

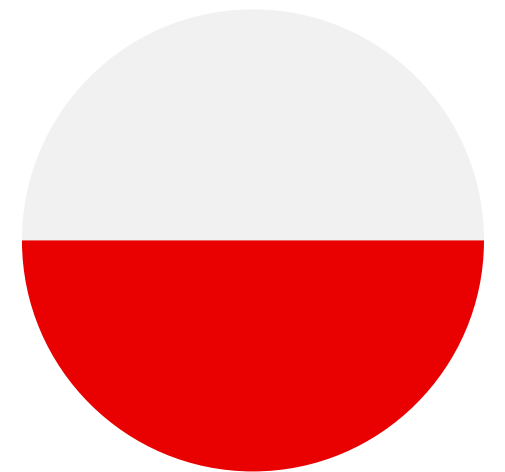

- REPRODUCE THE SAME POSTER
- REPRODUCE THE POSTER WITH A DIFFERENT SEASON

S **VIP**

The time is over
